中醫藥診所

Hong Kong Baptist University
Chinese Medicine Clinics

香港浸會大學

診所簡介

Introduction

中醫藥學是中華民族的寶貴文化財富，在養生保健、防病治病方面積累了豐富的經驗。有見及此，香港浸會大學積極推動香港的中醫藥事業，於一九九七年十一月開辦了第一間中醫藥診所，為市民提供中醫醫療服務；並於一九九八年開辦了全港首個由政府大學教育資助委員會資助的中醫學學士及生物醫學理學士(榮譽)雙學位課程；更於二零零一年開辦了全港首個全日制中藥學學士(榮譽)學位課程。

為市民提供高質素的中醫藥醫療保健服務及為中醫藥發展提供臨床教研基地，是大學開設中醫藥診所的目的，也是我們的使命。

Chinese medicine, as a precious cultural heritage of the Chinese race, is based on thousands of years of experience in health care, health maintenance and prevention and treatment of illness. In order to foster and meet the needs of the development of Chinese medicine in Hong Kong, the Hong Kong Baptist University (HKBU) has established its first Chinese medicine clinic in November 1997 to provide quality Chinese medicine healthcare services to the public. The first Bachelor of Chinese Medicine & Bachelor of Science (Hons) in Biomedical Science double degree programme funded by the University Grants Committee (UGC) of the Government was launched in 1998/99, while the first full-time Bachelor of Pharmacy in Chinese Medicine programme was subsequently launched in 2001/02.

To provide quality Chinese medical and healthcare services to the community and establish bases for clinical teaching and research are the University's aim and mission in setting up the Chinese medicine clinics.
